Week of: September 9 - September 13, 2019

Learning Focus of the Week

Letter: Introduction to the alphabet. We will work on identifying letters in our names and from environmental print.

Color: Yellow

Language Arts:

We will work on distinguishing loud/soft and same/different environmental sounds using the poem, "Mouse in a Hole".

Math:

Students will work on identifying shapes shown in pictures and from their real environment.

Social Science:

School: Who works at our school? We will use pictures to help us identify people in our school.

Character Education

Responsibility is the focus of the month for September.

Students have been doing well bringing their Homework Folder to and from school each day along with snack bags and water bottles.
