Learning Focus of the Week

Letter: Cc

We will distinguish uppercase and lowercase letters.

We will work on correct formation using horizontal, vertical, diagonal, and curved lines, and sounds.

Color: Green

Language Arts:

We will begin to work on identifying beginning, middle, and ending sounds (first, next, last).

Math:

Students will be working with 2-dimensional shapes by describing the attributes and what shapes can make another shape.

Science:

Using taste and smell we will have an apple tasting! Students will be given different kinds of apples to taste. We will then graph our favorites.

PTA: Please join and help support our school. You do not need to attend the meetings unless you would like to go.

Character Education:

Responsibility is the focus. This week you can challenge your child to show responsibility around the house and help out. What home jobs could your student do?

Ideas: set or clear off the table, match socks and fold washcloths or towels, make their own bed, pick up their own toys.

Library: Last week we went to the library and checked out 1 book. Students may keep their book through the weekend. Please have your student return their book on **Monday**. Your students will check out a new book each Wed. If the previous book has not been returned they will not be able to check out a new one.

Dates to Remember:

Wed. Sept 26 - Movie Day

Thur. Sept 27 - Picture Day!

Reminder: students need to wear appropriate school shoes.

Fri. Sept 29 - PTA Goody Day

Fri. Oct 12 - Step It Up Fun
